A LITTLE BIT ABOUT US

A SOCIAL ENTERPRISE CAFÉ

We are a non-profit social enterprise, which enables young people to reach their potential through employment and training. As an initiative of The Matrix Trust, a local youth work charity, The Hideaway Café provides local people with a place to escape, connect with each other and give back to their community.

Our experienced café team is enriched with young people who need a boost into employment, gaining skills whilst on-the-job and qualifications working in a supportive environment.

And once the school day ends, The Hideaway is transformed into a social space just for young people providing a safe space to make friends, build relational connections with youth workers and gain life skills.

Come and #findyourhideaway and you will be contributing to this exceptional project, helping young people gain confidence and tools to navigate this challenging world.

PROFITS FROM EVERY PURCHASE AND BOOKING ARE FED BACK INTO MATRIX YOUTH PROJECTS.

THE HIDEAWAY CAFÉ

Positioned near the heart of Guildford, our Café space is available for hire outside of the café opening times.

A brilliant spot for Children's birthday parties, private lunches, and other events. The Hideaway Café's recommended maximum capacity for guests is:

- **Indoors:** 35 seated; 50 standing
- **Terrace:** 20 seated; 25 standing
- **(Additional Room):** 20 seated; 25 standing

WE HAD A LOVELY DAY... EVERYTHING WORKED
REALLY WELL. I WOULDN'T HESITATE TO HOLD A
PARTY THERE AGAIN

When you hire our café space, we include at least one Hideaway trained barista with your hire of the space (depending on your number of guests this may increase to two). This enables us to offer you and your guests drinks from our Barista menu as well as from our Brew Bar and drinks fridge.

We are able to offer drinks from our servery on a tab based system which can be settled at the end of your event, alternatively you can ask for your guests to pay at the time of ordering.

HIRE COSTS - CAFÉ

The cost of hire is dependant upon the number of guests you expect as well as the duration of your event and whether you require catering.

We ask for the hire to be a minimum of three hours, of which should include setup and pack down, as well as the event itself.

Prices start from £90 per hour for the hire of the cafe.

THE TEAS AND COFFEES WERE GREAT TOO AND IT WAS LOVELY TO HAVE A TRAINED BARISTA DOING PROPER COFFEES!

FAQS

What does the booking time include?

The duration of your booking should include your set up and set down time for your event. For example if you plan to rearrange the tables, we ask that you return them to how you found them at the end of your booking.

Are we allowed alcohol at our event?

Due to the conditions of our lease we're able to allow alcohol to be consumed on our premises where a corkage fee is applied. Please enquire for more information.

Do you have parking on site?

There is not, but we are only a short walk away from the following car parks: York Road, Upper High Street & G-Live.

Can I book the Hideaway Café without an Event Host?

Not at this time, we want to ensure that your time with us is the best it can possibly be. So, we ensure someone is on hand at your event to answer any questions, serve you & your guests with drinks, as well as opening and locking up the building for your booking.

Where does my money go?

All profits - after paying for overheads - from hiring our Private Meeting Space or our Café Space are fed into Matrix's youth projects, where we work to provide a lifeline for young people across Guildford Borough. The cost of hiring the Hideaway Café includes paying for the Barista's work time. If you would like to make an additional donation, you can do this via Matrix's website or at the end of our Booking Form.
